CASE NO. T-0220:17

DECISION NO. 90-65

MOTION FOR REHEARING

On April 11, 1990 PELRB issued Decision No. 90-27 wherein it found that the School Board acted improperly when it implemented an evaluation policy that could impact terms and conditions of employment and ordered the School Board to negotiate with the Education Association the revised teacher evaluation model proposed by the special committee and its implementation.

Counsel for the School Board requested PELRB reconsider the case because it had not ruled on the School Board's request for Findings of Fact and Rulings of Law in accordance with RSA 541-A:20. PELRB decision No. 90-27 under "Findings of Fact" clearly stated that "the findings made were substituted for the parties requests."

Having considered the request and reviewed the evidence presented at the original hearing in this matter, and based on the statement made in the decision on findings, PELRB in accordance with Pub 205.05 and RSA 541:5 exercises its right and HEREBY DENIES the School Board's Motion for Reconsideration.

Signed this 30th day of July, 1990.
